ARQUITECTÓNICO

An architectural rendering of a modern, multi-story residential building at dusk. The building features a mix of dark grey panels, light-colored wood accents, and large glass windows. A balcony with a glass railing and potted plants is visible. In the foreground, a black SUV is parked in a paved driveway. The scene is illuminated by interior lights and landscape lighting, creating a warm and sophisticated atmosphere. The sky is a deep blue with some clouds. The overall style is clean and contemporary.
